DENEVI & JONES HEADING TO WS HALL OF FAME

By David Krival, Editor, HardBall Magazine

HardBall photographers since 1992, Chris Denevi and CJ Jones will be inducted into the MSBL/MABL World Series Hall of Fame this month. For both of them, photography is a second profession. Ms. Denevi is a nurse and Ms. Jones is a respiratory therapist. But the MSBL World Series is the central event of their annual professional calendar.

In 1991, Denevi and Jones attended their first MSBL World Series. As luck would have it, one of the Bay Area teams did very well in competition and Denevi and Jones wound up taking pictures of the 30+ American championship game. At the time HardBall Magazine had used various photographers to cover the MSBL World Series, but as it became ever larger and more complex, the HardBall staff realized that they needed a very special kind of photographic team. They had to be able to take good action pictures, of course. But there was more to it.

HardBall Magazine (along with the WS Daily News) needed photographers willing to keep close track of who was in each frame, to grab rosters from team managers before games and spend long hours labeling the pictures after they were developed.

By pure coincidence, Chris and CJ were staying at the same hotel that Dan and Jackie Piro were staying during the tournament. Jackie was impressed with their work and more importantly their record-keeping system. Very impressed, she made arrangements to use them in 1992. The rest is of course history. Not only do Denevi and Jones provide us with beautiful, perfectly captioned images from every championship game but they cover all of the ancillary events.

With respect and affection, we congratulate Chris Denevi and CJ Jones upon their selection to the MSBL/MABL World Series Hall of Fame.

Cooler Than Normal Temperatures For The Start Of Week Number Three Wildcard Promotions To Offer A Sale On World Series Logo Sweatshirts

By Tom Prendergast

Last week the players participating in the 2004 MSBL World Series were lucky enough to view a total lunar eclipse while they were in Arizona. This week it appears that they will get a chance to experience cooler than normal temperatures. A year ago the Valley of the Sun experienced a heat wave and the tournament staff was concerned about the possibility of some players overheating. Boy, what a difference a year makes! This year we are concerned about players getting too cold. In fact, this recent weather phenomena has caused the WS souvenir department to offer a special discount on tournament sweatshirts.

After one day of play several teams are off to a great start at 2-0, while a number of other teams are 0-2 and need to register a few wins if they want to participate in the playoffs. In most divisions a pool play record of 5-1 is almost a guarantee that your team will qualify for the playoffs. A 4-2 record is pretty good, especially if your teams runs allowed is low. The 3-3 teams chances to make the playoff round is a little bit more of a question mark. All of the scores and standings are updated hourly on www.scorebook.com
